

Hyper-standardized form for optimal citizen engagement

☐ Dear Human Being ☐ Dear Bot ☐ ¡Hola!

1. Thank you for your enquiry.

- ☐ The free market will take care of it.
- ☐ Simply no.
- ☐ What?
- ☐ The question is already answered on www.nicosemsrott.eu

2. Nico was ...

- ☐ ... really cheered up by your enquiry.
- ☐ ... really pissed off by your enquiry.
- ☐ ... completely unmoved by your enquiry.
- ☐ ... not even willing to open up your message, since he prefers not to waste time on such unimportant matters.

3. Your enquiry is being processed in the following manner:

- ☐ We have filed it accordingly in the "LOL" folder.
- ☐ We have reported it as spam.
- ☐ We are looking into it and will respond as soon as possible.
- ☐ We are looking into it and will respond as soon as possible. But actually.

4. After reading your enquiry, we have ...

- ☐ ... cried tears of joy? Fear? Hard to tell.
- ☐ ... hired an intern dedicated solely to rejecting such requests.
- ☐ ... regained our faith in humanity (for this one moment of weakness).

5. Please bother instead ...

- ☐ Axel Voss, our dear colleague from the EPP.
- ☐ someone, anyone, from the S&D.
- ☐ an expert, for instance ...

7. Comments:

- ☐ Let me explain why that's not happening:

- ☐ Very limited space for additional notes:

6. Using the mood-scale below, our colleague has rated how they felt while processing your request:

☐
Euphoric

☐
Amused

☐
Annoyed

☐
Depressive

- ☐ Yours faithfully,
- ☐ "Yours" faithfully,
- ☐ "Yours" "faithfully",
- ☐ Adios.

Processing time: ____ Seconds.
